

**WE WANT TO THANK YOU ALL**

**Our founder Alan 'Dr. Bones' Curtis, of Rindge, NH, passed away on July 30, 2012 at the age of 63.**

Al began his career selling Mack trucks at McDevitt Truck Sales in Manchester, NH. Later, with many personal friends and business associates, Alan founded Granite State Truck & Parts in Rindge, NH. Business eventually outgrew the Rindge location. In 2005 Alan partnered with Bruce Knight and they founded Global Truck Traders in Winchester, NH. Global Truck Traders specializes in used Mack trucks and parts and services customers around the world. Alan was very dedicated to the company; his business partner and employees were vitally important to him. He was very actively involved with his church and the communities he resided in, and whenever possible, he loved a good game of golf with his friends and his grandson especially.

**He will be missed.**

**Thank you .....**

We at Global Truck Traders want to thank everyone for all the cards and calls of sympathy we received. Your support has been overwhelming. It is truly amazing how many lives Al has touched & how he will live on in all our memories...

**Global Truck Traders Inc. will continue .....**

Al's legacy of hard work, strong ethics, & dedication to our customers will continue at Global Truck Traders. Although Al will be greatly missed, we will continue doing what we do best and that is giving you everything you have come to expect.

**The skilled and dedicated people that got us to where we are today...**

At Global Truck Traders, our truck specialists have over 160 combined years of experience in the trucking industry. We carry a great selection of used trucks, as well as engines, transmissions, hoods, cabs, & other truck parts. We have an extensive inventory of Mack truck parts, as well as an extensive knowledge of proper applications & solutions. If you're looking for a certain dump truck or tractor to fit your business or need assistance in locating the correct part to keep your truck running, call or visit [Global Truck Traders.com](http://GlobalTruckTraders.com)
