

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – MORIN DIESEL FORESTRY

HISTORY & EXPERIENCE - In Business Since 1993

Although Morin Diesel Forestry was founded in 1993 by Jesse Morin, his experience in repairing trucks and equipment started much earlier. He grew up working in his family's land clearing business maintaining a large fleet of trucks and heavy equipment. Having a strong work ethic and expertise in commercial trucks and equipment have helped Jesse succeed and progress with specialized forestry equipment sales and repairs. Morin Diesel Forestry carries a great selection of forestry equipment, mowers and attachments.

They carry top brands and specialize in Prinoth Machines. From rentals, sales, repairs and hauling, Morin Diesel Forestry can help with all your forestry equipment needs.
