

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – T-QUIP SALES & RENTALS

HISTORY & EXPERIENCE- Family Owned & Operated for Almost 30 Years!

T-QUIP SALES & RENTALS, a family owned & operated heavy equipment dealer, was founded in 1996. In addition to selling construction equipment for almost 30 years, they have years of experience in the construction industry. With an extensive inventory of used construction equipment, attachments and commercial trucks, T-QUIP has become one of the largest used heavy equipment dealers in the country.

T-QUIP stocks over 1000 pieces of late model, low hour construction equipment and heavy equipment attachments. Their inventory includes excavators, skid steers, loaders, telehandlers, as well as aggregate equipment, forestry and other construction equipment. They carry specialty equipment including long-reach and wheeled excavators, tracked dumpers and zero-tail machines. They have an extensive inventory of attachments including thumbs, hammers, buckets and more. Their impressive inventory includes used heavy equipment by major manufacturers including CAT, Komatsu, John Deere, Doosan and others.

T-QUIP SALES & RENTALS has over 500 machines and attachments in its rental fleet. They offer competitive rates for daily, weekly and monthly terms. Their rental territory includes all of New England (Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont).

T-QUIP is a one-stop shop for all your heavy equipment needs. Their Service Department employs Factory Trained Technicians and also provides field service. They offer various purchase & financing options, sales, rentals, delivery and more. Headquartered in New Hampshire, they also have a sales location in Florida to efficiently serve the East Coast. For all your heavy equipment needs, call or visit T-Quip Sales & Rentals.
